The easiest way to get to the Villa Hermosa is to come through downtown La Fortuna. We are just 7.5km off the main road that runs through town & heads towards the national park & Lake Arenal. There is a great market that we suggest you stop at that has great products, a wide selection, fresh meat, drinks (beers, wine, liquor), to stop at before you arrive: Super Cristian #4. There are other markets closer but not with this array of items to choose from.

### **Once you get to the town of La Fortuna, follow these directions:**

- Continue through the town of La Fortuna and keep heading towards Arenal National Park & the lake.
- Shortly after Hotel Arenal Paraiso you'll start seeing signs for THE Hotel Los SPRINGS Hotel. Follow the signs and turn RIGHT onto the dirt road. Lagos (if you get to Montaña de Fuego you missed the turn)
- You'll see THE SPRINGS on the right and keep going...you're almost here! Continue to where you come to a "T" in the road and take a RIGHT
- Continue down the road for about 5 minutes and look out for the yellow TOUCAN XING sign on the left. Look to the right for the VILLA HERMOSA arched sign above a wrought iron gate on the RIGHT.

If we don't come out to greet you immediately, please ring the bell to the left of the gate or honk the horn and somebody will come get you!

**Welcome to the Villa Hermosa!**
